poutama.mtech@gmail.com

Auckland, New Zealand

PROFESSIONAL SUMMARY

Reliable and approachable retail professional with experience in fast paced, customer-focused environments. Confident assisting customers, processing stock, and keeping shelves well-presented and organised. Comfortable working on the shop floor, following store procedures, and supporting team goals during busy periods.

Practical and consistent, I focus on getting tasks done efficiently, maintaining store standards, and helping customers find what they need with a positive attitude.

WORK HISTORY

Arona Farms Ltd

2023-Present

Farm Hand / Calf Rearer

- Performed general farm operations including maintenance, manual labour, and day-to-day support tasks
- Worked reliably in outdoor, weather-dependent environments with early starts and long days
- Followed instructions carefully while adapting to changing priorities on-site
- Maintained a strong focus on safety around equipment, livestock, and infrastructure
- Supported farm operations in a way that minimised disruption to daily routines

Hunting & Fishing New Zealand

2020-2023

Sales Assistant

- Provided practical product guidance and tailored advice based on customer and environmental needs
- Assisted customers in-store and by phone, resolving issues efficiently and professionally
- Maintained composure and service quality during high demand periods
- Supported stock management and coordination across locations
